## PREPARATION

Preheat oven to 375°.

In a food processor or ziptop sealed bag, crush all of the Sandies Cookies. Add butter and pulse until combined. Press into the bottom of a 13x9 baking pan and bake for 7 minutes. Remove from oven and allow to cool to room temperature.

In a large bowl add cream cheese and mix on medium speed until smooth. Gradually add the lemon curd and powdered sugar until combined, then set aside.

In a medium bowl add the instant cheesecake pudding mix and milk and whisk for 2 minutes. Slowly fold in the whipped topping.

Return to the large bowl and add the cheesecake mix to the lemon curd and cream cheese and gently mix until they are one. Pour the mix over the cooled crust, smoothing evenly. Top with fresh blueberries and mint if desired. Refrigerate until chilled.
