

## INGREDIENTS

### Non-alcoholic:

1 2-Liter Ginger Ale

4 Cups Pineapple Juice

6 Ounce Cranberry Juice Concentrate

### Adult Version:

Use only 1-Liter of Ginger Ale and add one bottle Champagne or Prosecco, or add the full amount of Ginger Ale and 4 Cups Vodka

## PREPARATION

Serve in a large punch bowl with a ring or large chunk of ice. You can make this simply by adding water to a bowl or bundt pan, adding any additional garnishes to the ice. Freeze for 8+ hours. Before serving, run the pan under warm water to loosen the ice from the pan. Place ice in the bottle of the punch bowl and then add the punch ingredients.

### Garnish:

Orange Slices, Pineapple Slices, Cranberries, etc.
